ABOUT ME

I'm a passionate Motion Graphics Artist specializing in creating engaging visual stories through animation, design, and video. With a strong foundation in Adobe After Effects, Premiere Pro, Photoshop, Blender and visual storytelling, etc. I transform ideas into dynamic content that captures attention and communicates clearly.
I enjoy blending creativity with strategy to produce promotional videos, explainer animations, brand visuals, and social media content that deliver real impact. Always learning, always experimenting. I strive to bring fresh, modern, and meaningful motion to every project.

EXPERIENCE

2022 – Present

Smart Media College Thrissur

- Creative professional with 4+ years of experience in motion graphics, video editing, and digital design across marketing, advertising, and film production
- Conceptualized and delivered high-performing motion ads, product commercials, poster campaigns, and typography-based creatives for diverse clients
- Produced engaging 2D animations, logo animations, SaaS explainer videos, and motion posters, ensuring strong brand storytelling and audience engagement
- Collaborated with cross-functional teams on UI/UX design projects, creating intuitive, user-centered digital interfaces
- Executed end-to-end video editing and motion graphics production for short films, trailers, and promotional content
- Applied advanced techniques in VFX, compositing, and rotoscoping for cinematic and commercial video projects
- Mentored junior designers and students, improving team efficiency and maintaining design quality standards
- Managed multiple projects simultaneously, meeting tight deadlines in fast-paced production environments
